

THE GREAT COMISSION

Spiritual Outreach A central goal of our work is to minister the Gospel of Jesus Christ to every leader in every state. Our staff also seeks to serve all who have genuine questions about biblical truth or who desire a deeper relationship with Jesus Christ. Because we are a nonpartisan ministry outreach, the message of the Gospel can be heard with clarity.

Ministry Training Another key goal of the GPT is to equip local prayer leaders and coordinators for ministry and service. We offer today's leaders in prayer unique ministry resources that enhance their service to our Lord and our nation to become more effective in sharing their faith in the public arena.

Restoring a Vision The third component of the GPT mission is to help reestablish the principles and practices of Christian statesmanship so prevalent at the birth of our nation. Our Founding Fathers firmly believed that God alone secured the blessings of liberty. By encouraging the necessary link between personal faith and public life, we are calling on our leaders to embrace America's heritage of Christian statesmanship and rebuild our nation's foundation for liberty.

MAKING A DIFFERENCE

You can participate in the Governors' Prayer Team in three ways:

1. Volunteer to pray in your state in the high calling of intercessor.
2. Existing ministries, or individuals called to lead their own prayer ministries should contact us to discuss what leadership positions may be available.
3. Help financially. The GPT needs a team of visionary founders who will secure the final birthing of the GPT by committing to 36 months of electronic monthly stewardship. Your obedience will be honored in the permanent history as GPT Charter Partners. We can only do this with your help.

THE NATIONAL GOVERNORS' PRAYER TEAM

HISTORY and VISION

In 1775 the Continental Congress asked the colonies to pray for wisdom in forming a nation, the call to prayer has continued throughout our history. In 2004 / 2005 the Governors' Prayer Team was established as a result of public officials again placing the call and asking people to take up the cause and ministry of praying for our leaders.

WHO WE ARE

The National Governors' Prayer Team (NGPT) is a cooperative effort of independent Christian ministries (we are equipped to assist individuals in establishing their own independent ministries), businesses and people who are working together to intercede for and on behalf of all those in authority including the position Governor for their state.

The NGPT is an organization dedicated to presenting America's forgotten history and heroes, with an emphasis on the moral, religious, and constitutional foundation on which America was built.

In accord with what was so accurately stated by George Washington, we believe that *"the propitious [favorable] smiles of heaven can never be expected on a nation which disregards the eternal rules of order and right which heaven itself has ordained."*

Psalm 11:3 reminds us, "If the foundations be destroyed, what shall the righteous do?"

WHO WE ARE cont.

Our aim is to exert a direct and positive influence in government, education, and the family by (1) educating the nation concerning the Godly foundation of our country; (2) encouraging Christians to be involved in the civic arena (3) to empower the Christian American spirit by aiding these in establishing their ministry (4) by reestablishing, rebuilding and reclaiming (the 3 R's) the public places of worship in our nations capitals and courthouses in the very name under which they were established "Jesus Christ".

Our network will enable participants to distribute prayer requests regarding the challenges facing the Leaders of today's world to committed prayer leaders & intercessor teams in the communities of all 50 States. This allows the teams to share feedback with those they intercede for and share communication with other network members.

WE SERVE LEADERS BY

Acting as a conduit for prayer so we can be salt and light in an hour of need anywhere in the USA.

Supporting our Prayer Team Leaders so that they are equipped with training, tools, encouragement and support. to best serve our nation.

Providing a vigil of praying volunteers for leaders in every state.

Personally ministering to our Governors, and the local offices of our state leaders offering confidential prayer support for them and their staff and to assist in providing relevant and

concise on-site bible studies.

EXPRESSION OF FAITH

Through public prayer, peaceable public and private conversation about the tenants of our faith of which we believe and will defend as an inherent right of every American. Ask yourself and those you care about *"Is living a peaceful and quiet life in all godliness and holiness in your community and across our country worth your support?" Is exercising your right to pray in public worth a commitment?*
